SUFYAN

Senior Business Development Director | Biotech & Pharma Expertise

+1-(234)-555-1234 Email linkedin.com Jacksonville, Florida

SUMMARY

With over a decade of experience in the biopharmaceutical industry, I have successfully spearheaded business development initiatives, consistently exceeding sales targets and fortifying company revenue streams. My acumen in maintaining relationships, analyzing market trends, and leading high-impact projects has been a cornerstone of my career, highlighted by a pivotal role in generating $30M in new business for a leading CRO. Eager to bring my expertise and strategic vision to a senior business development position.

EXPERIENCE

Business Development Manager

Genentech

05/2018 - 12/2021 San Francisco, CA, USA

- Generated $30M in new sales revenue by identifying and securing strategic partnerships within the biotechnology sector.
- Increased client portfolio by 40% through targeted outreach and networking efforts, introducing 25+ new pharmaceutical products to the company's catalog.
- Led cross-functional teams to develop highly effective marketing strategies resulting in a 15% increase in year-over-year revenue.
- Designed and executed innovative customer retention programs that boosted long-term contracts by 30% and improved overall client satisfaction rates.

Regional Sales Director

Regeneron Pharmaceuticals

01/2015 - 04/2018 Tarrytown, NY, USA

- Surpassed sales goals by 20% for two consecutive years, growing the regional sales revenue to $50M.
- Developed and maintained a high-performance sales team, achieving a 15% increase in productivity through targeted training and development.
- Successfully launched three blockbuster drugs in the regional market, capturing a 10% market share within the first six months of launch.
- Implemented a CRM system that enhanced customer tracking and sales force efficiency by 25%.
- Negotiated key contracts with hospital networks, contributing to a 20% expansion of the company's market penetration.

Key Account Manager

Pfizer Inc

06/2010 - 12/2014 New York, NY, USA

- Managed the growth of strategic accounts, resulting in a 35% increase in annual revenue from top-tier clients.
- Orchestrated the successful entry of Pfizer's portfolio into new therapeutic areas, growing the account base by 20%.
- Cemented Pfizer's market presence by brokering pivotal alliances with industry leaders, amplifying pipeline development opportunities.
- Achieved a 95% client retention rate through skillful relationship management and consistent delivery of customer-centric solutions.

EDUCATION

Master of Business Administration

University of Florida

01/2007 - 01/2009 Gainesville, FL, USA

Bachelor of Science in Biotechnology

Florida State University

01/2003 - 01/2007 Tallahassee, FL, USA
